Each year, colleges around the country honor students who are entering a technical field through National Technical Letter of Intent Signing Day. The event mirrors the NCAA's National Signing Day for athletes who commit to play sports in college. This is the third year of Signing Day at South Central College, which offers a wide variety of technical career and professional programs with more than 100 degree, diploma and certificate options. If you are considering starting one of these programs in Fall 2018, you definitely want to be a part of our 2018 Signing Day!

#### LETTER OF INTENT

During the ceremony, you will sign a letter of intent indicating that South Central College will hold a place for you in the program of your choice to start Fall 2018. Signing a letter of intent does not necessarily commit you to enroll at South Central College. Instead, it signifies your intention to learn more about your program, and if you choose to enroll, to complete the program.

#### \$50,000 IN SIGNING DAY SCHOLARSHIPS TO BE AWARDED!

- **SCC Foundation Scholarship:** Thanks to the generosity of contributors, Signing Day participants will have the opportunity to receive an SCC Foundation scholarship.
